The image features a vibrant sunburst background with numerous rays emanating from a central point. The rays are composed of alternating bands of light yellow and a slightly darker shade of yellow, creating a dynamic, radiating effect. In the center of this pattern, the word "Biongó" is prominently displayed. The text is rendered in a bold, white, sans-serif font, with a thick yellow outline that makes it stand out against the busy background. The overall composition is balanced and visually striking due to the high contrast and radial symmetry.
